

REMARKS

By the current amendment, Applicant amends claim 7 to insert the terms "is stored", so that the claim language therein is consistent with the claim language of the other claims in the present application and in particular, the system of independent claim 1.

Applicant submits that the present amendment to claim 7 is required to ensure proper disclosure or protection of the invention, and requires no substantial amount of additional work on the part of the U.S. Patent and Trademark Office. Accordingly, Applicant respectfully requests entry of the present amendment.

Should the Examiner have any questions concerning this Amendment or the present application, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully Submitted,
